DEAR FRIENDS, I AM HAPPY!

When I first stepped into the TUT Sports Hall and saw our girls and boys playing, I felt the true school sport spirit. I felt friendship, I saw youngsters joying and laughing, celebrating. I saw handshaking and hugging, it was true love and respect.

I acknowledged high level competition, absolutely amazing technical skills, teamwork, helping each other and above all, I saw fair play. It is very important... in game, in everyday life, everywhere.

Honesty is what really counts. This was true school sport spirit that we saw here in Tallinn during 3x3 Basketball World Schools Championship 2016. In world championship winning is, of course, very important, but the most important in school sport is participation. In my opinion all girls and boys from 21 countries, who managed to come here, are already winners. High respect for that.

Such huge events are only possible in tight cooperation. I thank all the participants, couches, head of delegations and referees. Big thanks for ISF representatives, you made this championship possible. Huge thanks to our organising committee members, especially our volunteers who have put an enormous effort into preparing and organising this event.

Good luck for all of you! And don't forget to have fun, make friends and live happy and healthy life! See you on next events!

Lauri Luik,

President of Estonian School Sport Union
